

Laurel Burch™ Dream Believers

Inspirations for Life • Love • Hope

This small book of love and encouragement combines uplifting artwork and verse from famed artist Laurel Burch. Each of the gorgeous, full-color images of one of Laurel's best-loved pieces is accompanied by a quote from the artist on hope, rejoicing, love, and following one's heart. Coming from Laurel's own experiences with adversity, this book makes a meaningful gift for yourself or anyone in your life who is going through a difficult time, serving as a reminder to believe in dreams and create for the joy of creating.

- Flowers, cats, horses, and other kindred spirits dance across the pages of this high-quality gift book
- Take your soul on a journey of inspiration with Laurel's lovely verses
- Share the gift of beautiful paintings and poems with those you love

North America Only

Laurel Burch first began making and selling jewelry on the streets of San Francisco. Over her forty-year career, she became an internationally known artist with an instantly recognizable palette and style. Laurel's fantastic felines, mythical horses, and blossoming flowers have brought joy to the lives of many and will forever convey a sense of love and connectedness. laurelburchstudios.com
